About This Program

The journey of cancer is difficult and demanding. Managing it all — your appointments, well-being and personal life — may feel overwhelming. We offer the support and resources you need to face the challenges ahead with greater control and clarity.

How You May Benefit

Once enrolled, you will be connected to a navigator who will be a phone call away, as often as you need them.

- **Understand your condition and treatment options** so you can make informed decisions and support your quality of life.
- **Make sure care decisions reflect what's important to you** by helping you clearly state your wishes to your care team and loved ones.
- **Get help finding the care and resources you need** so you can spend your time and energy on your health.
- **Know what to expect and how to prepare for it**, like important talks with your doctor or your first cancer treatment.
- **Enhance the relationship with your doctor** by making sure they have insight into what you value.
